

Ben is now living in Cleveland Ohio and is married with a family. Ben has been playing and writing music for some time now. While he was at Queens University he played in a band called "the Arabs" featuring himself and Mickey Mc Crudden from Creggan as well as Denis Mc Daid from the Waterside. He has shared a stage with many leading musicians including his very own Phil Coulter who he duetted with at the Glee club at Queens. Ben also had a solo career for a period where he concentrated on playing the great works of Bob Zimmerman (Dylan). Ben took a break from music as his family life and business life took centre stage up until approx 4 years ago when a band called "the Quiet men" came calling. He moved from this band to "Bald Paul's Irish Bluesband" where he feels right at home writing Derry songs and playing a mixture of Waylon Jennings (no relation to Jimmy Jennings) Alan Jackson, Tom T Hall, Johnny Mc Avoy and a lot of other Irish music. Ben has sent us the lyrics of the songs he has written and these can be found by clicking the links below. Ben has promised to send us a copy of his CD when it is complete so we can put some music to the lyrics.

Thanks again Ben!

A fulfilled sex breath is indispensable for most partnerships. So it is really problematic when this no longer happens at all because of importance. Several drugs are far-famed. Other works for racy cases like Hodgkin's lymphoma, anxiety or bronchospasm. The most common sexual disorders in men are ED and inhibited sexual will. If you are considering Cialis, you apparently want to read about [cheap levitra](#) . In our generation, there are varied options for folk who suffer from erectile dysfunction. Very likely "" is a very much complicated matter. Of all the matters in the field of healthcare that pique our attention most, it's ED, special "". A long list of common remedies can lead to erectile dysfunction, including several blood stress medicines, pain medicaments, and most of antidepressants. Certain patients using this drug as a rule do not have any side effects to Cialis.
