

Don't forget to register

Written by Hugo - Last Updated Saturday, 22 September 2012 20:49

I would like to encourage all our visitors to register at the new springtowncamp.com website, by doing so you will have greater access to our features, and we can keep you up to date with all our new announcements. To register, and also log in, go to the homepage and click on the member login tab to the left of the large picture slideshow as shown on the photo below.
