I would like to thank Thomas Harkin who sent these two great photographs. The first photograph is of his Daddy & his brothers (from left Seamus, Thomas, Liam holding John, Michael, Patrick his Dad, & Anthony) Thomas has been told that this photograph was taken in 1950. The second photograph was taken at the end of 1968 - 1969 and is of his Grandad & Granny Harkin. They lived in hut 119 Springtown Camp before moving to Creggan Heights. His Grandad worked as a docker and his Granny worked in the shirt factories. Thanks again Thomas. Great pics!

Please remember if you have any photographs you would like to share with us here on Springtowncamp.com just let us know.
